LA DOLCE VITA

A 'Premier Collection' Tour

13 days

Updated 06/11/2009

Day 1 *Arrive in Milan*

Today we arrive in Milan and transfer to our hotel.

Milan is believed to be founded by Celtic tribes who settled along the Po River in the 7th century BC. In 222 BC, Rome marched into the territory, defeated the Gallic and occupied the town as it had a key position on the trade route between Rome and northwestern Europe, ensuring its prosperity.

Overnight in Milan. Carlton Hotel Baglioni. Meal plan: Dinner, if required.

Day 2 *Milan, Italy - Lugano, Switzerland*

Today we journey by road from northern Italy to Switzerland and the stylish city of Lugano; our hotel is located on the shores of Lake Lugano.

Lugano a perfect blend of a world city and a small town, a place where business and pleasure, efficiency and work go hand in hand. The city is considered as a cultural centre on account of the exhibitions organised here in the museums and the surrounding suburbs. The city presents a perfect blend of the Italian ambience and Swiss efficiency. The captivating features of the city include the sunny climate, towering mountains, shimmering lakes, tall buildings in the Lombardic style and the historic city centre.

Overnight in Lugano. Principe Leopoldo Hotel. Meal plan: Breakfast, lunch and dinner.

Day 3 *Lake Como & Bellagio*

Today we visit the 18th-century Villa Carlotta in Tremezzo to see the beautiful gardens, also known as the Bella Signora del Lago, or Beautiful Lady of the Lake. This wonderful museum contains priceless works of art as well as some of the finest gardens in northern Italy. The gardens are quite simply an explosion of colour and perfumes. An absolute must see while in Lake Como. Stendhal said that "whoever arrives in Milan cannot and must not miss the wonderful Villa Carlotta in Tremezzo".

We also boat across the lake to Bellagio, one of Italy's most beautiful lakeside towns.

We return to Lugano where the evening is free.

Overnight in Lugano. Principe Leopoldo Hotel. Meal plan: Breakfast and lunch.

Day 4 *Lugano, Switzerland - Venice, Italy*

Today we travel by road to the canal city of Venice and join our local guide for a walking tour of the city's highlights.

We discover the treasures of Piazza San Marco (St. Mark's Square), visiting dramatic St. Mark's Basilica featuring exquisite mosaics and carvings, and tour the Doges' Palace, official residence of the rulers of Venice in the Middle Ages. Be serenaded on a memorable gondola ride and dine tonight in a popular Venetian restaurant.

Spend the entire day exploring Venice at your leisure. Your Tour Leader can offer many recommendations. Possibilities include Galleria dell'Accademia, Murano Island, and the Peggy Guggenheim Collection.

Overnight in Venice. Hotel Gritti Palace. Meal plan: Breakfast.

Day 6 *Venice - Florence: Accademia*

Today we travel by Eurostar train (1st class) for Florence, renowned as the birthplace of the Renaissance.

Florence is a city steeped in history and art. Our walking tour begins with a guided tour of the Accademia, which was Europe's first Academy of drawing and today houses a superb art collection, including Michelangelo's David, probably the most famous statue in the world. We then proceed to the Cathedral of Santa Maria del Fiore (Duomo), complete with its magnificent red dome. Upon its completion in 1436, the dome was hailed as the greatest architectural achievement of its day, equaling, perhaps even surpassing the monuments of antiquity. The cupola's diameter is greater than that of St Peter's in Rome and the nave is the third largest in Christendom. Even today its brilliant engineering is not fully understood.

We continue along the pedestrian mall to the Ponte Vecchio, the oldest bridge in Florence and the only one in the city to survive World War II. The Ponte Vecchio was built in 1345 and used to be lined with butchers' shops which have now been replaced by rows of gold and silver shops on both sides. At the Piazza Santa Croce, we stop to admire the facade of the Franciscan church of the same name. Inside we see the tombs of Michelangelo and Galileo Galilei and chapels covered in frescoes by Giotto.

Overnight in Florence. Hotel Savoy. Meal plan: Breakfast, lunch and dinner.

Day 7 *Florence: Uffizi Gallery*

Reservations have been made at the Uffizi Gallery, Giorgio Vasari's extraordinary administrative buildings which he designed for Cosimo I Medici in the mid-sixteenth century. Reservations allow us to go inside this world-famous museum without waiting in long ticket lines. The galleries here contain the greatest collection of Italian artworks, including hundreds of paintings by such great artists as Botticelli, Leonardo da Vinci, Raphaël, Michelangelo, Titian and Caravaggio. The galleries also contain one of the most famous paintings in the world--Botticelli's 'Birth of Venus.'

The afternoon is free to take in the atmosphere of this Tuscan town.

Day 8 Florence - Siena & San Gimignano

Today we enjoy a scenic drive to Siena with a stop along the way for wine tasting and lunch in the Chianti area. After lunch we continue through the hill towns of Tuscany, stopping at the enchanting 14th-century hill town of San Gimignano. No cars are allowed within its medieval walls. We stroll the narrow streets viewing the fortress-like palaces and medieval towers.

We continue with our scenic drive to Siena. Our luxury hotel is a 17th-century palace located in the heart of Siena, a few steps from Piazza del Campo and the Duomo and in the pedestrian shopping area.

Located in the heart of Tuscany, Siena is a magical city with an air of mystery that pervades the streets and piazzas. The name "burnt sienna" comes from the red clay of the Sienese hills and countryside that creates the distinctive colouration of the houses and buildings in this classic Tuscan hill town.

Overnight in Siena. Grand Hotel Continental. Meal plan: Breakfast, lunch and dinner.

Day 9 Siena: Walking Tour

This morning we get to know the medieval city on a walking tour. We visit the Piazza del Campo, famous worldwide for its horse races; the Museo dell'Opera del Duomo--home of Duccio's famous La Maesta--and Siena's Duomo, a Gothic architectural masterpiece. The Duomo (Cathedral) is a spectacular example of Gothic Italian architecture, and the accompanying museum houses magnificent works by Italian masters such as Duccio and Giotto. In your free time be sure to sit on the Piazza del Campo, watch people go by, and sip a glass of Chianti.

Overnight in Siena. Grand Hotel Continental. Meal plan: Breakfast, lunch and dinner.

Day 10 Siena - Rome

Today we drive to Rome. Upon arrival, we check-in to our luxury hotel, located within walking distance of the Spanish Steps, the Trevi Fountain and Via Veneto. Two thousand years of history have made the artistic and architectural patrimony of Rome so rich that it is hard to know where to start your explorations.

Overnight in Rome. The Westin Excelsior. Meal plan: Breakfast, lunch and dinner.

Day 11 Rome: City Tour

We begin our tour of Rome at the Campidoglio (Capitoline Hill), seat of the Roman Senate since the 12th century and the original citadel of the ancient city. This beautiful square was redesigned by Michelangelo in the 16th century. Next we take a guided tour of the Roman Forum and we will see the Curia, the Rostra, the Temple of Vesta, the Basilica of Constantine, and the Arch of Titus. We also have a guided tour of the 2,000 year old Colosseum, the symbol of Rome. Built to seat 55,000 spectators, this arena staged Rome's most brutal gladiatorial combats (reservations allow us to avoid long lines).

Our lunch break is spent at the nearby Piazza Navona, one of the most historic baroque squares in Rome, unspoiled by new buildings or traffic. Here, while eating in one of the outdoor cafes, we can admire three of Rome's many fountains.

Day 12 Rome: Vatican & Spanish Steps
--

This morning we visit the Vatican City, St Peter's Basilica and the Sistine Chapel. Michelangelo took over the St Peter's project in 1547 and was responsible for the design of the dome. The cavernous interior, which can hold up to 60,000 people, contains many treasures including Michelangelo's Pieta. The Vatican is a sovereign state with its own post office, broadcasting service and newspaper. We visit the elegantly symmetrical Piazza San Pietro.

In the afternoon we continue with the walking tour which includes a visit to the famous Spanish Steps and the Trevi Fountain, designed by Nicola Salvi in 1732. Its water was supplied by one of Rome's earliest aqueducts. Throwing a coin into the fountain is supposed to ensure your safe return to Rome! Balance of the day at leisure.

Join us for a farewell dinner this evening.

Overnight in Rome. The Westin Excelsior. Meal plan: Breakfast, lunch and dinner.
