Day 1 Arrival in Hobart, Australia

Arrival in Hobart - welcome to Tasmania!

Separated from mainland Australia by the 240 km stretch of Bass Strait, Tasmania is truly one of Australia's best-kept secrets!! This unique region of the world offers dramatic mountain peaks, alpine lakes, waterfalls, rainforests, abundant native wildlife, fields of lavender and small Victorian towns becoming increasingly known for their production of Tasmanian wines, cheeses, honey and other culinary specialties.

Tasmania is often promoted as the 'natural state' and the 'island of inspiration' owing to its large and relatively unspoiled natural environment. More than 40% of Tasmania lies in reserves, national parks and UNESCO World Heritage Sites.
